

BLU

Celebrity Cruises

takes stewardship of the earth and seas quite seriously.

Blu embraces artisanal cuisine with wine selections embracing a farm to bottle approach. Here we delve into an exploration of farming and the variety of ways that wineries and vineyards go above and beyond in their craft and care of the land. Please enjoy these selections picked with you in mind.

NATURAL PREDATORS:

Introduction of natural predators for managing insect and rodent populations without the use of chemicals.

WATER CONSERVATION:

From controlled to no irrigation policies, collecting rainwater for gray water usage and managing clean water runoff.

SOLAR POWER:

Utilizing solar panels for green energy management.

ORGANIC FARMING:

Strict use of no chemical pesticides or fertilizers.

BIODYNAMIC FARMING:

Organic principles plus planting and harvesting according to lunar cycles. Treating the vineyards as its own ecosystem.
