READY, SET, SWEAT: CELEBRITY CRUISES AND CANYON RANCH KICK THEIR FITNESS OFFERINGS INTO HIGHER GEAR

The flexible new fitness program sets out to prove that vacations are about more than rest and relaxation

MIAMI, FL – April 20, 2018 – Together, Celebrity Cruises and Canyon Ranch have set out to reinvent fitness at sea, inspired by the latest innovations and wellness trends in the world. The redesigned onboard program includes 20 new fitness classes and seminar experiences for guests.

There are six class categories based on different core needs and exercise groups: Sweat, Conditioning, Longevity, Mindfulness, Nutrition, and Acupuncture.

“At Celebrity Cruises we’re always looking for ways to pump-up the volume and raise the bar. Together with the Canyon Ranch team, we saw the opportunity to enhance our guest experience by revamping our fitness program and adding brand new classes inspired by the latest developments in fitness,” said Brian Abel, Senior Vice President, Hotel Operations, Celebrity Cruises. “With this new program, guests can enjoy a best-in-cruise fitness experience with unrivaled amenities, experienced and highly trained fitness experts, and a full schedule of invigorating and body-changing classes on board our ships.”

“Wellness is a lifestyle and this redesigned program empowers our guests to evolve their workout regimens along on the high seas,” said Sandra Foyil, Senior Vice President of Canyon Ranch At Sea. “Fitness enthusiasts and beginners alike will discover a wide range of experiences to challenge themselves and improve their well-being for optimal health.”
