

### **Celebrity Cruises Extends Suspension of Cruising**

**MIAMI – November 2, 2020** – Our primary goal continues to be a healthy return to service for our guests, crew and the communities we visit. As we work with the CDC and others toward this shared goal, Celebrity Cruises will be extending the suspension of sailings to include those departing on or before December 31, 2020, excluding our previously suspended 2020/21 Australia and Asia sailings. We will be reaching out to our guests and travel partners to share further details and address any questions or concerns they may have.

Since joining the RCL family, Celebrity Cruises has sailed to all seven continents and launched three series of ships. In 2000, the company introduced the Celebrity Millennium® Series, the first new-build vessels for the brand following Celebrity's acquisition by RCL. It was followed by the Celebrity Solstice® Series in 2008 with five additional casually elegant ships emphasizing the intersection of indulgence and fun. More recently, in 2018, the Celebrity Edge Series was introduced to critical acclaim, with the first-in-series *Celebrity Edge*® being named to *Time Magazine's World's Greatest Places* to visit list in 2019. In addition, the line began operating three smaller expedition ships that sail the beautiful Galapagos Islands including the 2019 debut of *Celebrity Flora*®, the first purpose-built ship for the islands.
